## 2. BASIS OF CONTRACT

- 2.1 These Conditions apply to the Contract to the exclusion of any other terms that the Supplier seeks to impose or incorporate, or which are implied by law, trade custom, practice or course of dealing.

- 2.2 The Order constitutes an offer by Core Control Solutions Limited to purchase the Goods in accordance with these Conditions.
- 2.3 The Order shall be deemed to be accepted on the earlier of:
- (a) the Supplier issuing a written acceptance of the Order; and
  - (b) the Supplier doing any act consistent with fulfilling the Order,
- at which point the Contract shall come into existence.

### **3. THE GOODS**

- 3.1 The Supplier shall ensure that the Goods shall:
- (a) correspond with their description and any applicable Specification;
  - (b) be of satisfactory quality (within the meaning of the Sale of Goods Act 1979) and fit for any purpose held out by the Supplier or made known to the Supplier by Core Control Solutions Limited expressly or by implication, and in this respect Core Control Solutions Limited relies on the Supplier's skill and judgement;

- 3.3 Core Control Solutions Limited may inspect and test the Goods at any time before or after delivery. When the inspection or test takes place before delivery the Supplier shall remain fully responsible for the Goods despite any such inspection or testing and any such inspection or testing shall not reduce or otherwise affect the Supplier's obligations under the Contract.
- 3.4 If following such inspection or testing Core Control Solutions Limited considers that the Goods do not conform or are unlikely to comply with the Supplier's undertakings at Clause 3.1, Core Control Solutions Limited shall inform the Supplier and the Supplier shall immediately take such remedial action as is necessary to ensure compliance or may at its option terminate the contract.
- 3.5 Core Control Solutions Limited may conduct further inspections and tests after the Supplier has carried out its remedial actions.

### **4. DELIVERY**

- 4.1 The Supplier shall ensure that:
- (a) the Goods are properly packed and secured in such manner as to enable them to reach their destination in good condition;
  - (b) each delivery of the Goods is accompanied by a delivery note which shows the date of the Order, the Order number (if any), the type and quantity of the Goods, (including the code number of the Goods, where applicable), special storage instructions (if any), the outstanding balance of Goods remaining to be delivered, if the Goods are being delivered by instalments, and ; and

- 4.6 The Supplier shall not deliver the Goods in instalments without Core Control Solutions Limited's prior written consent. Where it is agreed that the Goods are to be delivered by instalments, they may be invoiced and paid for separately. However, failure by the Supplier to deliver any one instalment on time or at all or any defect in an instalment shall entitle Core Control Solutions Limited to the remedies set out in clause 5.

## **5. CORE CONTROL REMEDIES**

- 5.1 If the Goods are not delivered on the Delivery Date, or do not comply with the undertakings set out in clause 3.1, then, without limiting any of its other rights or remedies, and whether or not it has accepted the Goods, Core Control Solutions Limited may exercise any one or more of the following rights and remedies:

If the liabilities to be set off are expressed in different currencies, Core Control Solutions Limited may convert either liability at a market rate of exchange for the purpose of set-off. - (c) any claim made against Core Control Solutions Limited by a third party arising out of or in connection with the supply of the Goods, to the extent that such claim arises out of the breach, negligent performance or failure or delay in performance of the Contract by the Supplier, its employees, agents or subcontractors.

12.2 Core Control Solutions Limited may immediately terminate the Contract for any breach of clause 12.

**13. TERMINATION**

13.1 Core Control Solutions Limited may terminate the Contract in whole or in part at any time before delivery of the Goods with immediate effect by giving the Supplier written notice, whereupon the Supplier shall discontinue all work on the Contract. Core Control Solutions Limited shall pay the Supplier fair and reasonable compensation for any work in progress on the Goods at the time of termination, but such compensation shall not include loss of anticipated profits or any consequential loss.

13.2 Without limiting its other rights or remedies, Core Control Solutions Limited may terminate the Contract with immediate effect by giving written notice to the Supplier if:

13.3 On termination or expiry of the Contract, the Supplier shall immediately return all Core Control Materials. If the Supplier fails to do so, then the Customer may enter the Supplier's premises and take possession of them. Until they have been returned or delivered, the Supplier shall be solely responsible for their safe keeping and will not use them for any purpose not connected with the Contract.

13.4 Termination or expiry of the Contract, however arising, shall not affect any of the parties' rights and remedies that have accrued as at termination or expiry, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry.

13.5 Any provision of the Contract that expressly or by implication is intended to come into or continue in force on or after termination or expiry of the Contract shall remain in full force and effect.
